Description

The Pearl CH1030B Boom Cymbal Holder features a 7/8" post with Gyro-Lock tilter. A great way to add an additional cymbal to your set up! A quick-release nut makes cymbal changes super fast while a new boom tilter with form-fit stop lock provides dependable angles. It's telescopic knurled cymbal arm allows for an incredible amount of positioning possibilities. The cymbal arm can also fit back inside the main pipe tube, instantly converting into a straight cymbal stand if so desired.

TILTER: Gyro-Lock

DIAMETER: 7/8" Diameter Post with Stop Lock
