## Description

The Innovative Percussion Pius Cheung PIUS6B Very Hard Marimba Mallets allow the player to cut through an orchestra/ensemble when needed.

The Pius Cheung Series marimba mallets feature six models with rubber cores of varying hardness.

Constructed on Birch handles, each model is wrapped with a very unique alpaca-blend yarn that allows the player to produce great tone at extreme dynamic ranges from the utmost silky pianissimo to heavy fortissimo with minimal effort.

These mallets are also available with Rattan Handles.
