## Description

The Gon Bops Cajon/Percussion Duffel Bag offers players a great solution for transporting a cajon – along with a selection of hand percussion, cymbal and stand. It's the perfect bag for percussionists or drummers who perform with a set-up based around a cajon or cajon kit.

The bag includes a cajon compartment, a cymbal sleeve, a roomy percussion pocket that also fits a small snare, and straps on the top to securely attach a cymbal or hi-hat stand, providing a single solution for transporting all their gear. Constructed from fully-padded, water-resistant fabric with silk-lined interior, the new bag offers excellent protection for valuable instruments. Designed in Gon Bops brown with an embroidered vintage logo, this is a quality bag at every step.
