Description

The Powerstroke® 77 Colortone™ snare batter drumheads feature Skyndee® Imaging Technology for stunning visual appeal with powerful projection, tone and durability. Introducing 8 vibrant colors, Powerstroke® 77 Colortone™ snare batter drumheads are constructed with 2-ply of 7-mil Clear film with an added 5-mil dot on top and a 7-mil dampening inlay ring for a powerful, focused attack. Customize your drums like never before with a new dimension in color that demands to be seen and heard. Color options include Orange, Yellow, Red, Green, Blue, Smoke, Pink and Purple. Available in snare batter sizes 13" and 14".
