Description

The Powerstroke® P3 Bass Colortone batter drumheads feature Skyndeep® Imaging Technology for stunning visual appeal with powerful projection, tone and durability.

Introducing 6 vibrant colors, Powerstroke® P3 Bass Colortone drumheads are constructed with a single-ply 10-mil film combined with a 10-mil underlay dampening ring.

Customize your drums like never before with a new dimension in color that demands to be seen and heard.

Color options include Orange, Yellow, Red, Green, Blue and Smoke.

Available in bass batter and resonant sizes 18" thru 26" with or without a 5" mic hole.
