Description

The Innovative Percussion She-e Wu Signature Series Marimba Mallets feature nine mallets of varying hardness, including three models specifically designed for concerto playing. Models WU1 - WU6 feature a custom blended yarn wrap, while concerto models WU4C, WU5C, WU6C, and WU7C are tightly wrapped with durable and organic bamboo yarn. All models are available on either natural birch or rattan handles. Each captures the unique style, sensitivity, and essence of the artist that is She-e Wu.

WU4C(R), WU5C(R), WU6C(R), and WU7C(R)

- Plastic cores to create a bright tone quality
- Available with hand-selected unfinished natural birch or rattan handles
- Tightly wrapped with durable and organic bamboo yarn
