Product Images

The Remo Emperor Colortone Crimplock Tenor drumheads feature Skyndeep Imaging Technology for stunning visual appeal along with powerful projection, tone, and durability. Combining Remo's Crimplock hoop with 2-plies of 7-mil Clear film, the Colortone options allow you to customize your tenor drums like never before with colors that demand to be seen and heard.

Color options include Orange, Yellow, Red, Green, Blue, and Purple.

Available in sizes 6" thru 14"
