Description

The Vic Firth RM2 African Grass Brushes offer a great balance between softness of the Broomcorn brush and the attack of the Birch or Birch/Rattan Hybrid Brushes. The Re-Mix series of brushes are designed to pair well with other brushes in the series. The bands, or grips, are sized to feel and play together. Create your own unique sounds using the Broomcorn, African Grass, Birch, or Birch/Rattan hybrid.

Pairs well with RM3 & RM4 for more attack.
