Description

The Innovative Percussion signature line of marimba mallets designed for Wei-Chen Lin, includes one bass mallet and five melodic mallets. The legato "Sky Blue" blended yarn creates an incredibly versatile mallet, capable of lush Bach chorales as well as more contemporary articulate passages. Built on rattan and natural birch shafts, the rubber cores provide a strong fundamental tone with very little contact sound. A very versatile series, the Wei-Chen Lin signature series is designed to bring the most beautiful sounds out of every marimba.

Features:

- Rattan Shaft
- Legato "Sky Blue" Blended Yarn
- Rubber Core
- 16 3/4" Total Length
- Color Tape Indicator
