## Product Images

## Description

The Pearl D1500SP Drum Throne with built in shock absorber is essential for extended and efficient performance. Pearl Roadster thrones feature advanced ergonomic design and a selection of computer-tempered cushion tops to provide support and ease joint pressure during long sessions.

The D1500SP features a donut-shaped Multi-Core Foam cushion, with multiple layers of varied density foam for better playing and improved feel. Its durable tripod includes Pearl's adjustable shock absorber and exclusive Lock/Spin System, allowing the cushion to be secured in place or free spinning depending on preference.

### Features:

- 15" Vented Round Seat.

- Multi-Core stacked variable density foam donut cushion for improved feel.
- Optional Backrest Mounts via Single Knob.
- Adjustable Shock Absorber.
- Lock/SpinReversible StopLock.
- Height Range of 495- 673mm 19.5"-26.2"
