

# Pageantry Innovations AR-10 Concert Rack

**\$595.00**

## Product Images

## Description

The Pageantry Innovations AR-10 gives you 36" of continuous mounting space on the upper and lower rails. This cart allows for smaller setups while still having room for a snare, cymbals, tray tables, and accessories. The rack is stage ready with 5" ultra-quiet casters. Move quickly and easily from the practice room or rehearsal room right to the stage. 1.5" square steel black powder coated tubing. Overall Length. 39"

### Works great for:

- Beginning Band.
- Concert Band.
- Wind Ensembles.
- Pit Orchestra.
- Mobile Classrooms
