## Description

The Pearl S1030D Gyro-Lock Deep Snare Stand from Pearl's premium, tour-grade hardware range features a fully adjustable dropped basket that accommodates deeper snares and toms from 10" to 16" in diameter. Its GyroLock tilter allows the basket to be positioned at practically any angle.

Pearl's Patented Air Suspension Rubber Tips provide a firm grip without choking the drum's tone or suspension. Finally, its die-cast, insulated pipe joint provides rock-solid, slip-free height placement and rattle-free performance. Ideal for lower playing positions, deeper model, or field snare drums.

**Features:**

- Premium, Tour-Grade Snare Stand.
- Low Position Snare Stand (Height Range: 14.2" - 22.44").
- Dropped Snare Basket accommodates 6.5", 8", and 10" drum depths.
- Fully adjustable basket accommodates 10" to 16" diameter snares and toms.
- GyroLock Basket Tilter allows positioning at any angle.
- Patented Air Suspension Rubber Tips provide a firm grip without choking the tone.
