Description

Meinl's djembe straps are ideal for djembe players who need to stand and move around during their performance. The Meinl Percussion Designer Djembe Straps are made of a durable synthetic material that holds your djembe securely in playing position so you can move freely. The adjustable-length straps allow you to find the perfect fit.

Features:

Designed for Standing Djembe Playing
Heavy-duty Durable Synthetic Fabric Construction
Adjustable Webbed Straps For Comfortable Fit
Simbra Design
