Description

The Marimba One 9623 Wave 4.3 Oct Marimba features Rosewood bars with Classic Resonators, Premium Keyboard, and 4 inch casters. No matter if you are in an indoor or outdoor front ensemble, contemporary percussion ensemble, or symphony orchestra, the Marimba One Wave instrument is the only high-quality instrument that can handle all of your performance needs in one package.

The Marimba One Wave marimbas provide the best-designed and toughest quality-built frame on the market. The frame is fully height adjustable using gas springs in the end frames so it is effortless to raise and

lower the keyboard. The Wave Lock System utilizes cam levers and was designed to make the set up and adjusting of the frame or accessory bar* the easiest and fastest of any frame available - No more bolts or wing nuts to strip or lose!

*The accessory rack comes standard on all Marimba One Wave instruments with the 8 inch wheel package but is optional with the 4 inch wheel package and may be ordered separately at the time of purchase. This square, non-slip, heavy-duty front accessory bar runs the entire length of the frame and can be mounted with any percussion accessory you need for your performance. 4.3 Octave accessory bar item number is #264602.
