Description

The Dynasty Custom Elite DFZ 14" Marching Snare Drum features a 100% American Maple 10 ply hand-selected and pitch matched shells, combined with the most beautiful finishes available, makes this drum the industry leader. To ensure lifetime shell integrity of each drum is equipped with an Aluminum reinforcement ring.

Designed with Paul Rennick of the Santa Clara Vanguard, and with 16 strands of an innovative textured gut material, this drum has the warmth needed for soft passages but the projection and clarity needed in today's contemporary marching percussion sections.

This drum features the black wrap finish. Many other wrap, lacquer, and custom finishes are available.

Features:

- Size: 14"x12"
- Weight: 16.4 lbs.
- Chrome Plated Hardware is Standard.
- 10-ply North American Maple Shell
- Bottom Snare features 16 individually tunable strands.
- Standard Wrap Color Options (Please Specify When Ordering): Black, White, Green, Blue, Red, Slate Grey

*Drums are made to order, standard wrap finish drums typically ship in 90 days.
