Description

ONE VIBE - LIMITED EDITION VIBRAPHONE

To honor the 100th Anniversary of the Vibraphone, Marimba One has designed an extremely limited edition One Vibe. Only 12 of these instruments will be available worldwide.

The Marimba One 9003LE One Vibe features 3 octaves of stealth black bars and resonators finished in an exclusive aged copper. Each instrument will be personally signed by Ron Samuels.

Personalization Laser Engraving

Each instrument will have a Special Limited-Edition designation that is laser engraved on audience side #4 Rail. Marimba One is also offering the option to have your name or schools name laser engraved on the #1 players side rail at no extra cost.

One Vibe

All One Vibes have been designed from the ground up by Marimba One. These vibraphones features a damper mechanism that has a fine adjustment and dampens each bar 100% evenly. The Izzy height adjustment system features a built-in tape measures insure your preferred keyboard height and the gas spring height adjustment system allows you to raise and lower the vibe smoothly and effortlessly.

The adjustable damper pedal is height adjustable and can swivel side to side. And the patented Magnetic Drive system eliminates physical connection of the motor and always leaves the fans in the full open position. The player is guaranteed the full resonance and projection of the vibe every time the motor is turned off.

*Instruments will be made to order. Please contact us for shipping estimates.
