Description

The Vic Firth Corpsmaster MT2A Hard Felt Head feature a aluminum shaft and a super hard, round felt head for excellent rebound and articulation.

Field tested and field proven, the superior designs of the Corpsmaster® line developed throughout years of collaboration with the world's finest drum and bugle corps. Each season since the products were introduced, Corpsmaster® sticks and mallets have remained the most popular choice among the top high school bands, indoor percussion ensembles and DCI Championship corps.

The Corpsmaster® multi-tenor mallets are available with heavy gauge aluminum shafts. Aluminum offers excellent speed, response and durability, and these models feature "anti-buzz" rubber grips to eliminate vibration.

Length = 14.50"
