Description

The Vic Firth American Custom T6 General Timpani Mallets are a larger and heavier than a T1. Produces an enormous sound.

The American Custom Timpani mallets reflect Vic's fifty years of experience as Solo Timpanist with the Boston Symphony Orchestra. Each mallet is turned from a single piece of rock maple, which eliminates a core that could rattle and the need for a screw-on washer to secure the head. Coupled with round seamless heads, they produce bigger and brighter sounds.

Head = 1 3/4"

Length = 14 3/4"
