

# A Stubbs TPP2 Timpani Practice Pad

**\$139.99**

## Product Images

## Description

The A Stubbs Percussion Timpani Practice Pad (TPP2) simulates the response of a timpani head. The Timpani Practice Pad provides a means for practicing away from the drums or under sound sensitive conditions. Versatile and portable, the TPP2 features sturdy finger joint construction of beautifully finished cherry, a mallet resting tray, skid resistant backing for tabletop use, and can be securely mounted in most snare drum stands.
