Description

Ed Soph, Associate Professor of Jazz Studies at the University of North Texas and drummer with many big bands including the bands of Stan Kenton, Woody Herman, Bill Watrous and Clark Terry, has assisted Innovative Percussion in developing this new line of drumsticks with the drum set player in mind. The first of our Combo Drumstick Series, the Ed Soph drumsticks, are available in maple for combo or small group playing or white hickory for big band playing and feature an acorn-shaped bead for clarity on drums and cymbals. Acorn-Shaped Bead Length: 16 1/8" Thickness: .545"
