Description

The Vic Firth VICMUTE16 16" Drum Mute is a quick, easy, and affordable way to turn your current acoustic drums into a low volume practice instrument. These pads are made of a non-slip pure rubber material that helps to simulate the real action of playing your drums.

Drumset, Concert Drums, Or Marching Drums!

These pads easily fit inside the hoop of most drumset, concert drums, and marching drums. These are a great option for a drumset in a practice room or in your basement and can also be utilized for indoor rehearsals that require a lower volume. They also create a unique sound on their own.

Sizes Available for Multiple Drums and Cymbals

The VIC Mutes Drum mutes are available in 8", 10", 12", 13", 14" or 16" sizes and an 18" and 22" size for your bass drum. Worried about Cymbals? Vic has you covered by offering a 13/14" Hi Hat mute, 16-18" Crash Cymbal Mute, and a 20-22" Ride Cymbal Mute. Also available in prepacks!
