Description

The Yamaha Keiko Abe MKA-02 Pink Very Hard Marimba Mallets with Rattan Handles feature a Dual-Core with synthetic leather with additional weight wrapped with yarn. These mallets are heavy and create a full

sound from the upper range of the marimba.

These mallets are ideal for advanced players as these mallets are much heavier than regular mallets. The weight of these mallets causes the marimba bar to resonate fully creating beautiful sounds throughout the instrument. These yarn wound mallets are ideal for solo work, along with concertos, and are available in a variety of lengths. Each mallet consists of a unique feature and texture as well as color-coded tape for easy identification during playing situations.
