Description

The Humes & Berg Enduro Pro 8 x 8" Tom Case with Foam, EP488BKSP are a scratch resistant, water resistant, impact resistant, molded drum case. The interior features the Humes & Berg Pro lining. This padding is will not tear or scratch from sharp hardware. The Pro series cases also have an interlocking mold on the top and bottom of the cases that will lock the drums together when stacking. A recessed steel spring loaded handle is easy to grip and gets out of the way when not in use. A large wide 2" strap and buckle are also recessed into the case to keep them out of the way. Humes & Berg Cases are guaranteed to perform flawlessly in any circumstances. Make sure to protect your investment!
