Description

The Innovative Percussion Nebojsa Zivkovic NJZ1 Soft Cedar Marimba Mallets features rubber cores mallets with hand-selected, strength tested oversize cedar handles. Each captures the essence and style of one of the world's most renowned marimba soloists.

Hailed by the critics as one of the most unique and expressive marimba and percussion artists in the field today, Nebojsa Jovan Zivkovic has greatly influenced the international percussion scene during the last two decades – as both a masterful composer and virtuoso performer. After an extensive period of research, design, and testing, Innovative Percussion introduces this series of marimba mallets which perfectly reflect the artist whose signature is placed on each mallet.
