Description

The Humes & Berg Enduro 13 x 10" Tom Case with Foam, DR615BKSP offers amazing protection for your gear. These cases are water, scratch, and impact resistant. Enduro cases feature a patented tongue and groove kidney shaped molded top that allows cases to be stacked together from the back. The special formulated plastic buckle and heavy duty webbed strap keep the case shut tight. The all steel handle is machine riveted to the case. Made in the USA.
