Description

The Promark JW8R Jim Wunderlich Medium Hard Vibraphone Mallets feature a round synthetic core with brass inserts and a layer of latex wrapped in synthetic cord. The JW8R provides medium-hard articulation and

focused tone on the vibraphone. Rattan handles offer the necessary flexibility while remaining durable enough for demanding performance.

The JW8R is the most diverse of the Jim Wunderlich's series, offering the player enough variety to "belt" out notes when needed and be able to immediately drop down to perform more delicate passages Length: 16 1/2" Head Size: 1.53 x 1.80"

The JW8R features a rubber-like synthetic core wrapped tightly with cord on a rattan shaft

Durable enough for outdoor environments, but the lush tone of these mallets is an appropriate and tasteful choice for indoor concert or marching settings

All ProMark drumsticks are designed, engineered, and manufactured in the USA at our Texas facility to the most stringent quality controls in the industry
