

Evans Corps Clear TT06CC 6" Marching Tenor Head

Your Price \$13.49

MSRP \$28.00

Product Images

Description

Evans Corps Clear marching tenor heads give a bright, resonant tone. This 6" head has two plies (6.5 mil top ply and 10 mil bottom ply) of a clear film which deliver a crisp and open tone, producing a loud attack with plenty of projection. The extra thickness also makes the heads more durable and keeps them in tune longer.

Evans Corps Clear marching tenor heads are available in sizes 6"-14"
