Description

The ProMark AT Marching Series ATH2S Puffy Marching Tenor Mallets feature a hickory shaft and a soft, textured rubber grip. The puffy cover on felt head provides maximum tone and minimal articulation.

This series of "puffy" tenor mallets are on a hickory shaft and have the same weight and balance as our standard tenor mallets. They offer the player a strong fundamental sound with less attack

Length 14 1/2"

1" Diameter Puffy Head

The head is attached with a process that eliminates vibration and creates optimal response for the player

This tenor mallet is very similar to the ATA2S, but features a hickory shaft

All Promark drumsticks are designed, engineered, and manufactured in the USA at our Texas facility to the most stringent quality controls in the industry
