Description

Innovative Percussion adds to its variety of brushes and alternative implements with the introduction of the Bundlz and Sweepz. The Bundlz are made of small wooden or bamboo dowels around a larger wooden dowel core, which provides definition on cymbals and great dynamic range. The dowels are treated for longer product life. BZB-1 - BUNDLZ-LITE BAMBOO BZB-2 - BUNDLZ BAMBOO BZW-1 - BUNDLZ-LITE BZW-2 - BUNDLZ Features: Small dowels around larger center dowel Treated for longer product life Available in birch or bamboo Length: 16"
