## Product Images

## Description

---

The Remo Ebony Powermax series of marching bass drum heads provide outstanding projection, tone and control. This 22" bass drum head is a single ply of 10mm Mylar film and features a second, inner ring of 10mm film to muffle the drum and achieve this superior sound. The sleek look of the Ebony Powermax series propels this marching bass drum head to the next level aesthetically.

These heads are available in sizes 14" thru 32".

Logo is now located at the 6 o'clock position.
