Description

The Gator Elite Air GP-PE2218BD 22" x 18" Protechtor Bass Drum Case is an oversized case with tailor-made contours and shaped foam strips to securely cushion each drum. The drums rest in the middle of the case, away from the side walls providing a snug fit and eliminating the need for foam. These cases accommodates most suspended mounting brackets without upsizing. They come with a limited lifetime warranty against cracking and an adjustable strap with quick-snap clips for easy attachment.
