Description

The JGPercussion DH1 David Herbert "Mozart" Timpani Mallets feature carbon fiber (graphite) shafts with hard American felt over a small wood core. This is an articulate stick that works well for Mozart, Beethoven or any other music that requires the utmost of clarity.

"This stick gives a clear tone with rhythmic incisiveness." - David Herbert

Each stick is 14.5 inches long (37cm) and has a slight taper from the handle to the head of the mallet.
