Description

The Vic Firth Corpsmaster SRH2CO Ralph Hardimon Chopout Sticks feature the same construction of the SRH2 sticks using Sta-Pac for added weight but also have rubber tips. These are the ultimate practice stick or

can be used for special effects on snares and tenors.

STA-PAC® is composed of multiple thin layers of wood stacked on top of each other and finished with a hard laminate. This special laminated wood provides extreme durability and weight. For these reasons, this line is optimal for the player who needs a dense, beefier stick that will last the long haul.

Length = 16 7/8"

Diameter = .695"
