## Description

---

The Pearl D-2500BR features a new motorcycle-style cushion with cushy tuck-and-roll padding for supreme comfort and support. The slim backrest permits free arm movement and adjusts forward/backward and up/down for perfect lumbar support. A single Knob Bolt allows the backrest to attach and remove easily for quick setup and easy transport.

- Bracket | Exclusive LOCK / SPIN seat bracket
- Collar | A Reversible StopLock allows you to LOCK the cushion or allow it to SPIN depending on your preference.
- High Density Foam Cushions | Ideal hardness for optimum support
- Sure Struts | Double braced struts on the tripod offer the ultimate in structural integrity to prevent lateral wobble and the inherent squeaks that may result from it
- Large Rubber Feet | Provides improved stability and plenty of "tread" for long life.
