Description

The Remo PP-SNAM-14 Snare Pack includes a 14" Coated Ambassador Batter Head and a 14" SA Snare Side Head in one convenient package.

Ambassador® Coated Drumhead, 14"
#BA-0114-00

The Ambassador® Coated is the most popular drumhead in the world, featuring the perfect combination of warm, open tones with bright attack and controlled sustain. Constructed with 1-ply 10-mil Coated film, Ambassador® Coated drumheads are the industry standard for all applications.

Ambassador® Hazy Snare Side Drumhead, 14"
#SA-0114-00

The Ambassador® Hazy Snare Side features open resonant tones that is the industry standard for resonant Snare drum applications. Constructed with 1-ply of 3-mil film, Ambassador® Hazy Snare Side drumheads provide a perfect balance of high, mid and low frequencies for all Snare drum types.
