Description

The Remo Powermax 2 PM-2216-CD 16" Custom Graphic Bass Head allows you to put virtually any graphic on to your Powermax 2 bass drum heads. Your School, Band, Corporate, or personal graphics can be created through our advanced digital imaging techniques, reproduced in full color and then permanently laminated

The Powermax 2 bass drumhead features a free floating muffling ring and Controlled Sound dot underneath already installed for optimum sound, projection, and tone control. No glue, no fuss, just take it out of the box and put it on the drum.

Ordering Custom Graphic Heads:

- The Remo Graphics Department can create virtually any drumhead graphic imaginable. For best results please provide vector-ready digital files.
- CUSTOM HEAD ORDERS MUST BE PRE-PAID. NO EXCHANGES, REFUNDS, OR CREDITS. CUSTOM ARTWORK SUBJECT TO GRAPHIC EDITING CHARGE.
- For additional information, please contact us at service@percussionsource.com
